Delay On Emerald Bay Road Brings Increased Demand

No Definite Date Possible As Work Continues On Slide

As time passes and work continues on an attempt to reopen the Emerald Bay section of State Sign Route 89, it becomes more and more apparent that the contractors are facing an almost impossible task.

With the date for the opening now estimated at three months, the demand of property owners, vacationists and others for a sensible crossing of the bay becomes more insistant and state legislators and other agencies are urging action to correct the dangerous condition.

New developments, as revealed by Welter of the San Francisco Examiner staff, show the following facts:

1. The State division of highways said heavy equipment is being moved onto the perilous clearing job as rapidly as working room can be developed, but from six weeks to three months may be required befor traffic can be re-established safely.

2. Lake Tahoe home and resort owners, backed by other northern California business interests, are preparing for a showdown with both the state park and highway comissions on the question of bridging the bay to provide a safer low level year around highway. The home and resort owners say that is the only possible solution.

3. Public Works Director Frank B. Durkee disclosed that highway engineers at the District 3 headquarters at Marysville are studying a new Highway 89 alignment from Camp Richardson to the north side of Emerald Bay, and hope to hold public hearings in El Dorado County sometime this summer.

4. State Park Chief Newton B. Drury said park officials have tentatively agreed to realignment of the existing highway through Emerald Bay and D. L. Bliss State Park property, but are "definitely opposed" to a bridge which they contend would cause "defacement of one of the most beautiful landscrapes in the United States."

Although both Durkee and Drury expressed hope the problem can be worked out satisfactorily, a king sized controversy appears in the offing.

Tahoe civic leaders campaigning for a bridge concede that they're faced with a battle but contend there is no alternative along the precipitous Cascade Lake - Eagle Falls route.

"Where else are they going to put it?" asked William F. Bechdolt, Tahoe City resort owner. "The only logical route is across the mouth of the bay."

Bechdolt said a majority of the Tahoe business people feel that the money the State has spent trying to keep the present road open should have gone toward a realigned all year route across Emerald Bay.

"The people up here are all hot about it and the state is going to have to concede that they've got to have it eventually," he added. "The present situation not only costs the state money, but it's a great hardship on tourist travel and getting to and from the resorts, and it will be especially bad in 1960. This road will be one of the principal feeders for the Squaw Valley Winter Olympic Games."

Bechdolt said local residents plan to enlist the aid of Senators Swift Berry of Placerville and Harold T. Johnson of Roseville in a campaign to resolve the situation.

STICE IS ATTENDING RAILROAD MEETING

E. K. Stice, SP agent at Truckee, and Mrs. Stice are among 120 Southern Pacific representatives from six states meeting Wednesday and Thursday in Sacramento, for the fifth annual conference of station supervisors and local freight agents.

Purpose of the program is to discuss the railroad agent's important place in his community in the field of sales, public relations and service.

Squaw Valley Couple Have Baby Daughter

Meredee Josephine arrived to greet her parents, Mr. and Mrs. Leland Baker of Squaw Valley on Monday at Tahoe Forest Hospital. Six pounds and 6 ounces was the little girl's birth weight. Dr. L. D. Nelson was the attending physician.

Donner Lake Lodge Will Be Scene For Club Meet

Mrs. Ray McCarty, president of the Wyethia Club announced that a luncheon meeting of the organization will be held June 15th at 1 o'clock in Donner Lake Lodge.

All members are asked to take a guest and following the business meeting, cards will be a diversion of the afternoon.

Baseball Team To Open Season Sun. In Fallon Contest

Truckee's baseball team is ready to go.

Sunday the local Truckee Athletic Club nine travels to Fallon to engage with the team there and the the following Sunday, Fallon will come here in a return match and the first home game at the Truckee ball park at 2:30 p.m.

Al Wakefield, team manager and star first-baseman, urges all players to be at the field tonight (Thursday) for a practice gathering and to get set for positions in Sunday's contest. Another practice meet will be held at 2 p.m. Saturday.

Wakefield reports the team members in fair shape for the start of the season, but is urging all local talent to be on the field tonight and again Saturday for the final workouts.

Spring Meeting Of C. of C. June 22

TAHOE CITY— The spring meeting of the Lake Tahoe Sierra Chamber of Commerce will be held at Zephyr Cove Friday, June 22 starting with a 12:30 luncheon, C. Don Huff, chamber president announced.

All members and prospective members are requested to attend as important matters are scheduled for discussion.

One of the principal items of business will be an open discussion on the Emerald Bay bottleneck highway. Many resort and other businessmen of the lake are concerned over the lengthy delay in having the road opened and are demanding state action to provide a permanent year-around crossing.

Another topic to be taken up is the forthcoming plans for the 1960 Winter Olympic games at Squaw Valley in 1960. A speaker from the Olympic commission or committee will be on hand to fill the members in on the progress being made.

Still another item on the busy agenda will be a progress report on the Mile High Mapes Gold Cup boat races to be staged at New Chambers Lodge pier on July 7th starting at 10:30 a.m. Fred Main is chairman for this fourth annual event.

Governor Selects Olympic Official

Governor Goodwin J. Knight this week announced the appointment of Stephen W. Royce, Pasadena hotel man, as a member of the California Olympic Commission to succeed John Jewett Garland of Los Angeles, resigned.

Garland resigned from the commission several weeks ago in order to serve on the Squaw Valley Organizing Committee and continue his office with the national and international Olympic committees.

Other members of the commission are Charles R. Blyth, San Francisco; Allan Christianson, Atherton; Reese Taylor, Los Angeles and Walter M. Barrett, Truckee.

The commission will meet in San Francisco this morning for routine business and scan the progress report from the organizing committee headed by Prentice Hale of San Francisco.

Parkers Will Observe Wedding Date June 15

Mr. and Mrs. E. A. Parker who will observe their wedding anniversary tomorrow are receiving the congratulations of their friends.

Parker is recuperating from a recent operation performed at a San Francisco hospital and will have a health check early in July.

Raus Leaving For Valley As New Home Purchased

Mr. and Mrs. John Rau are reported to be moving to Roseville the middle of this month, where they have bought a house.

Rau is still on the recovering list, having undergone an operation in San Francisco two weeks ago.

Oakland Guests—

Mr. and Mrs. Harry Stockdale of Oakland are visiting their son-in-law and daughter, Mr. and Mrs. Reg Smart.

Five Injured When Cars Collide Here During Past Week

One Man Critically Hurt In Summit Crash; All Hospitalized

One man was critically injured and five others suffered lesser hurts as the result of three automobile crashes during the weekend in this vicinity.

Kenneth Saucey, 38, Reno, suffered serious head injuries Sunday morning at 6:55 o'clock when the car he was driving got out of control near Norden, skidded and rolled 500 feet and was demolished.

Saucey was taken to the Tahoe Forest Hospital where his condition was pronounced serious. A companion, Jack Sommers, 21, Sparks, had major injuries and two hitchhikers, Ezra Stone, 32, Reno, and Henry Velles, 21, El Monte, were treated for minor injuries.

Sergeant Frank Snyder of the California Highway Patrol said witnesses reported the Saucey car had been traveling at a high rate of speed and in an eratic manner just prior to the mishap. Patrolman Bud Meixner investigated.

Lake Accident

Thomas R. Whicher, Grass Valley, was hurt Friday morning at 4:05 when his car ran off the highway a half mile east of Tahoe Vista. Patrolman Roy Stallard made the investigation.

Drivers Cited

Both Donald E. Burdick, Fort Morgan, Colo., and Ralph L. Henshaw, Sparks were cited after the car driven by Burdick, parked on the highway, was struck in the rear by the Henshaw machine at Boca, Sunday at 9:30 a.m. Henshaw was injured and was treated at the Tahoe Forest Hospital. Patrolman T. F. Sheehan investigated.

County Officials Will Meet At Lake

TAHOE CITY— The annual convention of the County Treasurers Association of California will be held at Tahoe Tavern June 20, 21, and 22. Registration will start Tuesday, June 19.

An interesting, instructive and entertaining program is being arranged by the committee comprised of Russell Giles of Monterey, Miss Helen Houchins of Colusa, Earl Lee Kelly of the Bank of America and Miss Elma Hecker of Nevada County.

The sessions will be presided over by Richard Oyler of Inyo County, the association president.

Among the entertainment features will be boat rides on Lake Tahoe, rides on the Squaw Valley lift, golf, dancing, movies and many other diversions.

Families of the members of the association have been invited to join in the event.

THREE NEW MEMBERS JOIN SUNSHINE GIRLS

The Pythian Sunshine Girls Donner Council No. 13 met Wednesday night, June 6th for the ceremony of initiation. Three new members were inducted into the order.

Plans were completed for installation of officers at the next regular meeting June 20th.

A cake sale by the girls will be held Saturday, June 16th when home made candy, cookies and cakes to be sold to replenish the treasury.

Refreshments were served by Dorette Rose and Janice Roth. Attendance pins were presented to Dorette Rose, Janice Roth and Wilana Curran.

Man Arrested Here Is Held For South Police

Carl Franklin Gilbert, 46, who was arrested by Deputy Roy Waters and State Patrolman Carroll Maynard on a charge of petty theft and who was serving 30 days in jail, has been ordered held by the San Bernardino police on a forgery charge, Waters announced.

From Sacramento—

Mr. and Mrs. Pat Martin of Sacramento who have been spending their vacation at Lake Tahoe were visitors here on Tuesday. Martin is research secretary for Governor Goodwin J. Knight.

SUNBEAMS

By WALTER M. BARRETT

While workmen strive in vain to get a trail cut across the dangerous grade above Emerald Bay so that traffic can be carried over the state route, more and more demands are being expressed to do away with the killer entirely and provide an adequate crossing. The state beaches and parks people are obstinate about a bridge over the bay, contending that it will ruin the scenic beauty of the location. They do not advance any sensible solution as to how people are going to get to see the beauty when they can't drive there. Since the land involved belongs to the state, it would seem that action should be speeded instead of delayed, and we are confident that the highways officials would willingly go along with the wishes of the people and taxpayers if the objections from parks were withdrawn. Certainly until some action is taken, business on the west side of Lake Tahoe will suffer. No one wants to drive over the dangerous grade even under normal conditions and with thousands of dollars being spent each year trying to keep the mountain from toppling into the bay and a trail cut across the cliff, taxpayers everywhere should take an interest in the project. Business people involved are finding it hard enough to compete with state parks without having the latter deliberatly set up such terrific handicaps. We believe it high time this bickering was stopped and a little more common sense applied to the problem.

TRAVEL INTO STATE SHOWS DROP OVER SAME MONTH IN 1955

Only one boarder station in the state exceeded the Truckee quarantine station as a port of entry for vehicles during last month.

Yermo with 53,043 cars was ahead of Truckee's 39,261 autos. 3,653 trucks and 637 buses, the monthly report from the department of agriculture reveals.

Although the Truckee station was more than 10,000 cars ahead of April during last month, it was down 2,000 from the 41,952 cars checked during the same month last year.

At Meyers on Highway 50, the count for last month was 12,708 cars, 306 trucks and five buses, compared to 8,304 cars, 280 trucks, and five buses during April and was slightly off the 1955 May mark when 12,336 cars were checked.

FINAL SEASON MEET OF OES ON TUESDAY

The last meeting of the Order of Eastern Star until September will be held Tuesday evening, June 19. Vacation time will be enjoyed during July and August. Chairman for the evneing will be Lillian Miller and an initiation is planned.

Methodist Conference Held At Stockton Tues.

The first million-dollar budget for cooperative work of Northern California— Nevada's 335 Methodist churches was up for consideration when their annual conference opened Tuesday June 12, at Stockton.

The ministerial and lay delegates to the 108th session from Truckee are Rev. Osman and Mrs. Winifred Kamp.

Rev. Wesley H. Osman will be among those to be ordained by Bishop Donald H. Tippett as an elder into full relationship into the conference. This ordination service will take place on Sunday afternoon after which the conference ministerial appointments will climax as well as close the conference.

In Reno—

Mr. and Mrs. Jack Pearce have moved to Reno, Nevada.

Family To Idaho—

Mr. and Mrs. Bruce Grow, Mr. and Mrs. Leslie Grow and Mrs. Edith Johnson returned Sunday from Parma, Idaho where the family spent several days.

School Board Will Have Busy Meet To Decide Issues

State Director Urges Action As Need For Sierra Strip Shown

A number of matters of importance to the Tahoe Truckee Unified School district are scheduled for discussion at the meeting of the board of governors at the high school June 19. The meeting was postponed from June 12.

The 1956-57 tentative budget will be discussed and among other items scheduled are the following:

Presentation of a progress report concerning a proposed year-around school program by members of the Tahoe Truckee Education Association.

Discuss enrollment for the coming year at Donner Trail school and the number of teachers required.

Establish a policy relative to maternity leave for certificated personnel.

Establish rates of pay for parents transporting children where no buses are available.

Discuss clearing and leveling of Kings Beach school grounds.

Presentation of summer swim schedule.

Consider letters from various oil companies concerning school district purchase of gasoline at Placer County price.

Final information of fire insurance for buildings and equipment of the district will be available for board review and decision.

Report on meetings with storekeepers in the area relative to school buying in the district.

Decision of El-Ta-Ho Shrine Club's request for approval of use of school buses to transport children to the Shrine circus at Reno in August, Club has agreed to pay bus drivers and provide chaperones.

Reg Smart, board president, will preside at the meeting.

HOMES AT DONNER REPORTED LOOTED

As home owners in the Donner lake area return for the summer some are finding their places have been entered during their absence.

James Beach of San Mateo reported to Deputy Sheriff Roy Waters that he lost a skill saw and a skill drill but that a new outboard motor and other more valuable items stored in the same place were ignored. A door was forced open.

John D. Davenroy reported that during his absence his home had been entered and food taken, but apparently nothing else was lost. The food was consumed in the house.

LAST RITES HELD IN CAPITAL FOR WHITE

Last rites were held in Sacramento for Jerry J. White, 87, a resident of Truckee from 1892 until 1910 when the family moved to Sacramento. White established the first barber shop in the Oak Park district 46 years ago.

A native of Knoxville, Tenn., he came to Truckee in 1892 and Operated a barber shop until he left for the capital. He was a member of Donner Lodge No. 162, Odd Fellows in Truckee for 56 years.

Mrs. White died in March after the couple celebrated their golden wedding anniversary last November. He leaves two daughters, Mrs. Mrs. Frances Genteman of Sacramento and Mrs. Marguerite Thompson of San Francisco.

WHEATLAND BANK MAN WORKS HERE

Orla Swauger, who has been associated with the lending department of the Wheatland branch of Bank of America, arrived here yesterday to take up his new duties as lending officer at the Truckee branch.

Swauger will replace John Finnegan, who is leaving to take a promotion in the Bank's Placerville branch.

Swauger, who has three children plans to make his home here.

STATION PAINTED

Charles Osburn's Associated Station took on a new look this week as painters completed their task of decorating the station in dark green and white.

Judith Loynd Gets Highest Award At School Exercises

The 1956 Tahoe Truckee High School senior graduation ceremonies took place on Friday, June 8th in the high school gymnasium.

In addition to the presenting of diplomas of graduation by Reg Smart, president of the governing board, Tahoe Truckee Unified School District, awards for scholarship and citizenship achievement were made. Lee Apple, on behalf of the Achievement Awards Program, sponsored by the Bank of America, presented a gold cup and certificate awards to four young people displaying high standards of citizenship and academic attainment as well as a strong potential for future contributions to society.

Miss Judith Loynd of Truckee received the Bank of America Gold Cup award for outstanding scholarship and citizenship achievement. She also received a Bank of America certificate for her achievement in the field of liberal arts.

Miss Clarita Richards of Truckee received a certificate for achievement in the field of vocational arts; Gary Anderson of Tahoe City received a certificate for achievement in the field of science and mathematics, and Daniel Sheehan of Tahoe City received a certificate of achievement in the field of trades and industrial arts.

Lions clubs speakers cups were awarded by Jack Felte on behalf of the Lake Tahoe Lions Club to first place winner Jude Commagere of Tahoe City, and to second place winners Nikki Ann Wing and Scott Gilmore, both of Kings Beach.

Everett O'Rourke on behalf of the Truckee Lions Club awarded cups to first place winner Linda Loynd, and to second place winners Sandra Frank and Janice Gray, all of Truckee.

James F. Brehler, representing the Tahoe Truckee Educational Association, presented the Associations $500 scholarship to Gary Anderson of Tahoe City. Brehler, in presenting this award, thanked the many communities for their assistance in making this financial award possible.

Forest Guards Are Ready For Season

The advancing warm weather and the resultant fire season in the Tahoe National Forest has put the U. S. Forest Service on guard.

The thre epeaks in the Truckee district, State Line, Martis and Verdi are manned and by Friday the entire summer patrol will be on the job, Nelson Stone, assistant ranger here, reported.

Already two small fires have been reported in the Lake Tahoe area, but thus far this immediate region has escaped, although the wods are drying out after a wet winter and are nearing a danger point. Strict fire regulations are being enforced.

Fred Scott of Reno is starting his fourth season as lookout on Martis Peak while at State Line, Mr. and Mrs. James Davis of San Francisco are on guard. At Verdi Peak, Mrs. Lane Endicott of the Washington, D. C. office of the service is taking the season off to man the post.

ACCUSED DRUNKS TO SERVE JAIL TERMS

Ten days in jail for four men accused of violating the county's sobriety ordinance was imposed by Judge F. W. Wilson this week. Those arrested by Deputy Sheriff Roy Waters were Walter Allen Penryton, Norman Halverson, Charles Berg and Camelli Peters.

From Corona—

Mr. and Mrs. Don Ryan at Corona are expected to arrive here early next week to make their home. The Ryans have been former residents and will be welcomed back bytheir friends.

Move From Desert—

Mrs. P. A. Ryason wrote that the family has left the desert for the summer and are now enjoying the tall trees in the Sequoia National Park, moving to Miramonte.

A Month In East—

George Benting of the local state division of highways is having a 35 days vacation, spending much of the time in Chicago and Wisconsin with relatives.

Committee Plans Airport Survey As Advantages Seen

Meeting Will Be Held On June 19th To Decide Problems

An airport for this region came closer to being a reality Tuesday night at a meeting of the airport committee, headed by E. V. O'Rourke and Clyde P. Barnett, director of the California Aeronautic Board and Field Representative Arthur Kendall.

The two state officials were here to advise the committee on possible steps to be taken to acquire an air field capable of handling scheduled flights as well as private planes and emphasized the fact that the location and terrain here is ideal for the development.

Barnett pointed out that the local field would provide the only adequate strip in the Sierra and would make it possible for thousands of potential visitors to come to this region who otherwise go elsewhere for vacations and the establishment of summer homes.

"I can promise you one thing," Barnett declared, "if you build a strip, I'll build a summer home in the area. I know there are many others who feel likewise. I can assure you that your properties would double in value within ten years if you maintain an adequate airport."

The director suggested that the port be developed on a long-range program, starting out with a paved strip a mile in length and 75 to 100 feet wide, being enlarged and improved as the need demanded. He said he would promise a custodian to handle the field and that there can be no logical reason for the district to pass up such a splendid opportunity to share in federal assistance.

The CAA would provide 54 per cent of the cost, once a sponsoring organization is formed and assurance is given that work will continue.

The installation of an air strip— even a small one— Barnett declared, would increase the earning season during the winter and with the 1960 Winter Olympics assured, the strip proposed would be only the beginning of a tremendous development.

"While it is our job to only advise you, we find ourselves in a position of urging you to continue with this project," Barnett said, "as its possibilities are limitless."

The cost of the initial strip was estimated by the committee and Supervisor H. G. Loehr at between $30,000 and $50,000.

Loehr said he would ask the board of supervisors to assume the task of providing the required survey, make the necessary land acquisition and prepare the charts for the state and federal government approval.

The meeting and decision to continue with a study of the project resulted from a recent questionnaire being sent out to voters in the region, who indicated a desire to have the program continued.

Both Barnett and Kendall offered any further assistance possible and the committee expressed enthusiasm in the venture.

OUTDOOR SPORTS MEET ON FRIDAY

A meeting of the Truckee Outdoor Sportsmen, postponed from last Friday because of the graduation exercise at the Tahoe Truckee High School, will be held Friday evening at 7:30 at the Capitol Hall.

Election of officers for the coming year and discussions on the clubs plans for the coming season will be the principal items of business. Jack Waggoner, club president, will preside.

PESCHONG NAMED CANCER DRIVE HEAD

Tom Peschong of the Bank of America staff will take the place of John Finnegan as chairman of the Cancer Fund Drive, the latter announced before transferring to Placerville.

Finnegan said contributions to the much needed fund have been slow and he is hoping that they will be sent to his successor, Peschong, to make the drive a successful one.

SOIL CONSERVATION OFFICIAL ON STUDY

Harry Hiatt, U.S. department of agriculture official from Nevada City was here this week making a tentative survey of the need for establishment of a county-wide soil conservation district. More details will be studied and a decision reached in about a month.

Here From N.Y.—

L. Lansing, owner of radio station WBRV, Boonville, New York, visited Truckee and the surrounding area this week. Lansing was looking over the potentialities of the area and is seriously considering moving west to make his home.

SUMMER FIRE RULES IN TAHOE FOREST EFFECTIVE MAY 17

L. A. (Gus) Rickel, forest supervisor of the Tahoe National Forest announced that fire closure laws will become effective May 17th.

Rickel reports that the regional forester, U. S. Forest Service, under authority vested in him has declared a period of fire hazard and danger to exist upon all lands of the United States within the Tahoe National Forest between the dates of May 17th and October 31st, 1956 ,inclusive, and has authorized the forest supervisor to place the following restrictions in effect as of May 17th.

Paragraph (E): Prohibits the building of campfires on National Forest land within the Tahoe National Forest without first obtaining a permit. Permits are required whether the fire is in the open or in a trailer, and can be secured from forest officers, California Division of Forestry offices, California Automobile Association and other designated agents.

Paragraph (H): Except where they may conflict with more restrictive county ordinances, in which case the respective county ordinance shall be applicable, the following rules will govern smoking on national forest lands: (a) Smoking is prohibited while travelling on foot, cycle, or domestic animal, in grain, grass, stubble, brush, timber or other inflammable vegetative cvoer and in areas posted against smoking. (b) SMOKING IS PERMITTED as follows: (1) in improved campgrounds, or (2) inside vehicles on roads, or (3) at places of habitation, or (4) while stopped in a cleared or barren area at least three feet in diameter, provided, however, that in all instances burning and glowing substances are completely extinguished before discarding.

Paragraph (L): Prohibits the discharge of fireworks on national forest land, or the placing or throwing of a burning cigarette, cigar, match, pipe heel, firecracker, or any ignited substance in any place where it may start a fire.

Paragraph (O): Prohibits the possession, or firing, or causing to be fired any tracer bullet or tracer charge onto or across such lands.

Forest Supervisor Rickel urges all forest users to be extremely careful with fire at all times.

Prosecution Of Johnson Is Up To County Officer

SACRAMENTO —(CNS)— The state department of finance today left it up to the district attorney of Sacramento county as to whether George Johnson, former deputy state treasurer, would be prosecuted for alleged violation of state law in cashing "bouncing" checks in the treasurer's office.

A letter to the district attorney, who previously said he believed Johnson could be prosecuted, said the decision should be primarily on the district attorney's judgement.

Previously J. Francis O'Shea, the district attorney, said he would prosecute if finance would sign a complaint.

SIERRA HIKERS ON TRIP IN THIS AREA

The Sierra Club, is a group of people interested in the outdoors and especially the Sierra Nevada, and they got together last Sunday for the first time this season. Members gathered at Hirschdale for a six-mile hike to Iceland on Gray Creek and return.

General topic of the day was the early timber and ice production in the Boca, Prosser Creek and Iceland areas. Observations of natural science and phenomena added to the enjoyment of the hikers.

After a picnic supper at the Reifschneider cabin, there was a discussion for future outings and an invitation to anyone interested in the Sierra Club and the purposes which are "To explore, enjoy and preserve the Sierra Nevada and other scenic resources of the United States, and its forests, waters, wildlife and wilderness; to undertake and to publish scientific, literary, and educational studies concerning them; to educate the people with regard to the national and state forests, parks, monuments and other natural resources of special scenic beauty and to enlist interest and cooperation in protecting them."

Speed Control Is Vital To Car Control, State Official Warns Drivers

SACRAMENTO— "Speed control is vital to car control". This statement was made today by California Highway Patrol Commissioner B. R. Caldwell as plans were made to cope with the record flow of traffic expected this summer on California streets and highways.

"Slow drivers as well as fast drivers are responsible for a large number of traffic accidents each year," Caldwell said. "We can eliminate these accidents by always driving within the lawful speed for the area traversed. This means keeping the car under full control at all times through safe and sane speeds and alertness to all other traffic rules. Our enforcement action will cover all violations but, specific emphasis will continue to be placed on violations of the speed laws including those against slow driving."

AUDUBON CAMP ON SUMMIT WILL OPEN

Two-week sessions of nature study and outdoor living at the Audubon Camp of California, Sugar Bowl Lodge near Donner Summit, will start June 24, July 8 July 22, August 5, and August 19, the society announced.

The charge of $95 for a session covers room and board, tuition, and field trip transportation. Minimum age is 18. A maximum group of 50 campers is registered for each session, with most field trips limited to 10 or 12.

William Goodall, camp director, said two semester units of college credit may be obtained by making application to Sacramento State College.

Information available from the National Audubon Society, 2426 Bancraft Way, Berkeley.

THE BEST OF RIDES—FOR FOLKS OR FREIGHT

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Good Weather

The weather throughout this region is so constantly near-perfect these days that it no longer seems of great importance. The warm sunny days follow each other in uninterupted splendor, with green leaves and wild flowers everywhere, and wild birds nesting, and summer people opening their homes and planting their fast-growth gardens. For the mountain summer is short and flowers must grow fast here.

Outstanding Hat

And this reminds us that we have been asked to explain that the flower-laden hat which won the "outstnding prize at the Women's Club spring luncheon last Thursday, was the very same head-piece that was specially made early this spring for a part in the school's music festival. This hat which really "stood out" and up, with masses of flowers, was worn on first occasion by little Susan Wright, who took the leading role in the illustration of the song, Peggy O'Neill, at the festival. Mrs. Peggy Dempsey wore it at the luncheon, where it was pronounced the most "outstanding hat".

Building Boom

Building and remodeling seems to be the leading interest round about Tahoe City these days, and the town is growing by leaps and bounds. The frame work is now up on more than half the gigantic L-shaped construction of the Kimes Tahoe Motel on Grove Street and the highway. The proprietors expect to have the business in operation by mid-August. Down on the lakeshore and Grove street the recently moved Cook home is being enlarged and remodeled into a real lakeside castle. A full-length front veranda is being glassed-in with plate glass, overlooking the water, and Mrs. Cook is having one end built in with squares of colored glass. The glass of various colors, forms a rainbow decoration where the sun shines through like light straight from fairyland.

Home Opens

Down along the Truckee River the last of the larger summer homes which always close through the winter, was opened for the season this week. Mrs. Walter Gabriel has been at home there over the weekend, setting things to rights, and getting ready for the summer entertainment of her children and grandchildren who usually alternate their vacationing there. Mr. Gabriel, a busy business man of Oakland, will be able to spend mostly just weekends in his mountain home.

On Vacation

Mr. and Mrs. Bob Rogers, on vacation from their Genedora home, motored up to Tahoe City over the inland route and spent the weekend as guests of Mr. and Mrs. Harold Farr of this city. They took the coast route back on Monday afternoon, planning to drive through the bay area and make a stop over with friends in Gilmore. Rogers says a week's vacation is not even half long enough when you can only spend part of the time at Tahoe.

Group Organized

At a public meeting last Saturday night in the Community Center hall here, the new Tahoe Improvement Association was organized. Officers elected at this time were president Dr. Stuart Dingwall; vice president, Bill Bechdolt; and secretary-treasurer, Dr. W. F. Henry. A major subject of discussion at this first meeting concerned the possible amendment of a recently passed ruling connected with building ordinances. The section which many residents think should be amended is vitally concerned with off-street parking, and seems to constitute a set-back to several progressive movements here-abouts in the way of building construction. Another subject of discussion taken up at this time was concerned with the possible use of the town commons and Tahoe City pier as a landing base for the proposed amphibian flights between here and San Francisco. The public seemed divided in opinion as to this proposition. At another meeting of the Association to be held here on the evening of Thursday, June 21st, Harry Stubley, prominent business man of Kings Beach, has agreed to speak on various phases of the new building ordinance.

JUDGE IS SPEAKER AT MEETING OF TAHOE ROTARIANS

TAHOE CITY— Thirty members and three visitors from the Brockway club attended the Tahoe City Rotary dinner and meeting at the Tahoe Inn here in Tuesday evening, June 5th. At this meeting the local club also entertained 28 Sacramento members of Rotary, who had attended a mid-day luncheon with the Carson City Rotary Club, and planned to spend Tuesday night at the Homewood Hotel.

After a short introductory address, President Steve Korich turned the meeting over to Sterling Nelson, chairman of the Sacramento tour. Notable among this group was Judge Dal Lemmon of the federal court, 9th district, and his son, attorney John V. Lemmon.

Attorney Lemmon accepted the part of speaker for the evening, thereby supplying the major entertainment on this occasion. He spoke generally on international service by Rotarians for better understanding among nations. He cited the Monument to Peace created by Rotary on the borderline between Chile and Argentina; also the great International Recreational Park between the United States and Canada, and the park at Hong Kong, China for war-orphaned children.

All these and more, he said, have been instigated by Rotarians and their nations, as outstanding monuments of International monuments of peace and understanding. He said that Rotarians of the Tahoe area have great opportunity for International service, mainly because of the great numbers of people from foreign nations who visit this region during the summer seasons, and who will be especially numerous during the time of the 1960 Winter Olympics.

NURSERY SCHOOL NOTES

TAHOE CITY— Graduation is over for Eric Paulsen, Denise Boyle, Cheryl Bechdolt, Greg Pyle and Kathy Stowe. Good luck to all of you in kindergarten.

Our past president, Mrs. Maxine Beckman has started a project for some of our group to appear on TV in July. Mrs. Beckman, her officers and directors deserve thanks for a job well done this past year.

—Eunie Henrickson

Here From City—

Norrie Waddington, a former Truckee resident, now living in San Francisco, visited here this week.

With the new Chevron Pressure Primer System on your tractor, truck, or other heavy duty equipment, it takes just two or three seconds to get fast, sure starts. Chevron Priming Fuel in handy, small pressurized steel cartridges, a simple discharger mounted near driver, and a few feet of tubing make up the easy-to-install Chevron Pressure Primer System.

A one-man operation, the Chevron Pressure Primer System is safe and economical, costs just a few pennies per start. And it more than repays its low cost by saving your batteries and reducing crankcase dilution.

To avoid ice-clogged fuel lines, be sure to add a little Chevron Ban-Ice® fluid in your engine fuel tank.

LAKE LEVEL

TAHOE CITY— With two gates open into the Truckee river, the level of Lake Tahoe Monday was 6228.65 feet, Art Frodenberg, cooperative observer, announced. Temperatures have ranged from a cool 32 on Monday morning to a high of 74 on Friday and Saturday.

START MOVING

Work on moving the old Southern Pacific Hotel from its present site to a location on Bridge Street was started this week. Workmen, as a first step are removing the huge fire place chimney and disconnecting wiring so that the structure may be moved in sections.

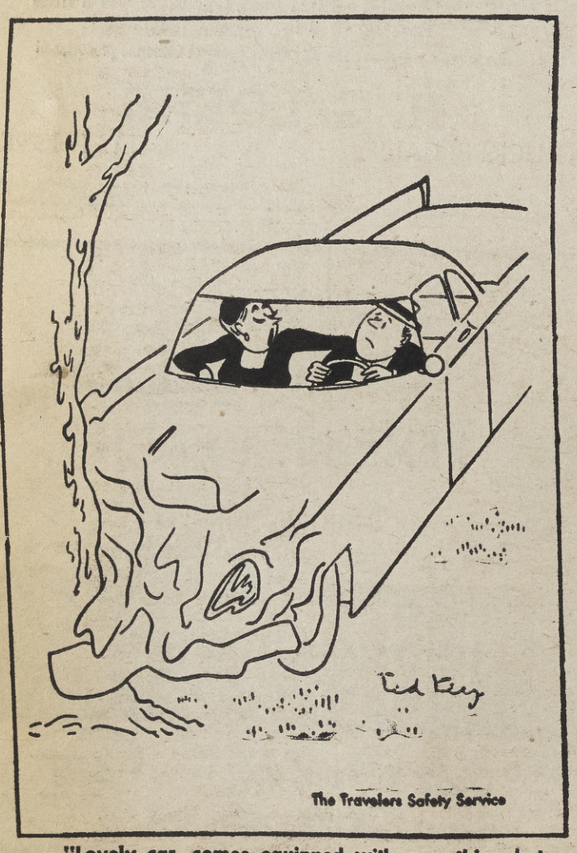
Fatal Fallacies by Ted Key



"Lovely car, comes equipped with everything but brains."

FRISKING DEMONSTRATION—Prepared at the slightest sign of "monkey business" to trip up the precariously postured "culprit," Second Lieutenant Edward Browning of Olla, La., student MP officer at Fort Gordon, Ga., frisks a helpful cadreman during the stake course test. A second cadreman, Private Leslie R. Dickerson of Lansing, Mich., holds the gun to protect the officer.

State Will Spend $40,000 On Emerald Bay Water

SACRAMENTO —(CNS)— The state department of public works today awarded a contract to Watkin and Sibald, San Anselmo. for the installation of a water system at Emerald Bay State Park. Cost will be $40,995.

PROPERTY OWNERS DISCUSS BAY ROAD

PLACERVILLE— A delegation of Lake Tahoe resort owners demanded at the El Dorado County Board of Supervisors meeting that a highway bridge be built across the mouth of Emerald Bay and that an allyear road be built around the lake at that point— one that can't be closed by slides.

They got assurances from District State Highway Engineer William Trask, who was attending the meeting with federal bureau of roads officials, that "We're studying the possibilities of bridging the mouth of Emerald Bay and we're also studying the possibility of an all-year highway."

DRINKING DROPS IN STATE, SAYS BOARD

SACRAMENTO —(CNS)— The state board of equalization, which is responsible for the collection of excise taxes on beer, wine and liquor, says Californians are drinking less on a "per capita" basis than they have in ten years.

In an annual report, the board said consumption in 1955 amounted to 18.06 gallons, including beer and wine, while in 1945, it was 21.46 gallons.

During the past ten years, beer consumption dropped from 17.22 to 14.43 gallons per capita.

New Officers Installed At Tahoe Women's Club Meet On June 7

TAHOE CITY— At the Crystal Bay Club on the afternoon of Thursday, June 7th, the Women's Club of Tahoe held their annual spring luncheon, combined with installation of officers for the ensuing term.

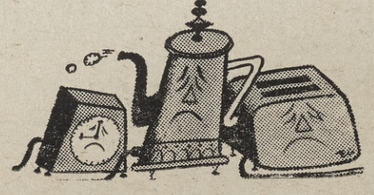
The group of retiring officers were presented with appropriate gifts and the full appreciation of the entire membership, following the elaborate mid-day chicken dinner which was served to something over seventy members. The few charter members still residing here were especially honored, being seated adjoining the officers table and presented each with a corsage of pink and white carnations These honorees included Mesdames Stella Watson, Ruth Mayfield, Ida Simmonds, Ethel Vernon and Rose Boyiarides, all of Tahoe City. Three other charter members still remaining to the club who reside in distant cities now, and could not attend, were Mrs. Evelyn Bliss and Miss Nina Rogers of Oakland, and Mrs. Thele Green of Sacramento.

The annual memorial inscription dedicated to the deceased members of the Women's Club was read by Mrs. A. L. Snyder of Lake Forest, and Mrs. Martha Snyder acted as general program chairman.

Mrs. Marguerite Webb, a prominent club member of Loomis, Calif., officiated with an impressive installation ceremony, installing the new officers on this occasion.

Taking office were the following: president, Mrs. Audrey Brehler. vice president, Mrs. Martha Snyder; treasurer, Mrs. Bernice Giannini; corresponding secretary, Mrs. Carol Marvin; recording Secretary, Mrs. Pat Fox; directors, Mesdames Katheryn Porter and Beccy Shontz, and parlimentarian, Mrs. Louise Geier.

Got Sluggish Appliances?



Your appliances demand a steady diet of electricity to keep them humming. So, if you're not satisfied with the way they work, look to your wires. Out-of-date wiring just can't carry a full load of the power needed by today's household appliances!

Call us today for more information about home wiring. No obligation.

KUCHEL'S EFFORTS ENDS DISCUSSION ON WASHOE PLANS

WASHINGTON— The successful efforts of United States Senator Thomas H. Kuchel to end a controversy about acceptable language in a proposed law authorizing construction of irrigation and reclamation works utilizing waters of the Truckee River, Carson River, and tributaries have been formally commended by the California-Nevada Compact Commission.

The bill had been held up in the senate interior committee because of dissatisfaction with some of the provisions in the original draft. At a series of conferences of senators and state officials from the two states, Kuchel suggested phraseology that was acceptable to Nevada and satisfied objections of California.

The two-state group of negotiators in urging early congressional action on a bill authorizing construction of the Washoe Reclamation Project in western Nevada advised Senator Kuchel it adopted an official resolution at a recent meeting "in recognition of your excellent cooperation and assistance in obtaining the inclusion in the senate bill authorizing the Washoe reclamation project provisions adequate to protect California's interests in the waters involved."

The California-Nevada Commission registered concern about delay getting the Washoe Project authorization bill before the house. The senate passed the legislation, embodying revisions which Kuchel suggested should be included in the originally proposed bill April 26. The project will cost $41,500,000 and will serve nearly 150,000 acres with new and supplemental water while providing nearly 96,000,000 killowatt-hours of power annually.

NOTICE

NOTICE IS HEREBY GIVEN, that on the 4th day of June, 1956, the Board of Fire Commissioners of Tahoe City Fire Protection District adopted a preliminary budget of $3,950.00 for the fiscal year 1956-1957 beginning June 1, 1956. That the budget may be inspected by any tax payer of the District at the office of the Clerk of the board of Fire Commissioners.

That the final budget will be adopted at 8:30 p.m. at the office of the clerk, C. W. Vernon, by the board of fire commissioners, on July 16, 1956. Any tax payer within the fire district may appear and be heard regarding the increase, decrease or omission of any item of the budget or, for the inclusion of any additional items.

The hearing on the budget may be continued from time to time until concluded.

C. W. Vernon,
Clerk of the Board of
Fire Commissioners

RECORD SEASON AT TAHOE EXPECTED

LAKE TAHOE— Businessmen and resort operators around this big Nevada - California mountain lake are looking for a record tourist season this year. With accommodations renting for anywhere from $100 to $1,000 a month, an Associated Press survey shows reservations already are hard to get for more than a brief period this summer.

Real estate men report swarms of vacationers hunting for rental spots.

"And we haven't got anything to sell outside of the $40,000 class," said one broker at the south end of the lake.

The big crowd-pulling Nevada gambling houses at both the North and south ends of the lake have spent more than $500,000 in remodeling work this spring and are looking for business to surpass even last year's $5,000,000 take on the gambling tables.

DELINQUENT TAX LIST

IN AND FOR THE COUNTY OF NEVADA, STATE OF CALIFORNIA FOR TAXES AND/OR ASSESSMENTS LEVIED IN THE YEAR 1955 FOR THE FISCAL YEAR 1955-1956

PURSUANT TO SECTIONS 3391 THROUGH 3395, REVENUE AND TAXATION CODE, THE DELINQUENT TAX LIST AND THE ADDENDA THERETO IN AND FOR THE COUNTY OF NEVADA, STATE OF CALIFORNIA, HAS BEEN DIVIDED AND DISTRIBUTED TO VARIOUS NEWSPAPERS OF GENERAL CIRCULATION PUBLISHED IN SAID COUNTY, FOR PUBLICATION OF A PORTION THEREOF IN EACH OF SAID NEWSPAPERS—

Notice is hereby given that unless the total amount due for taxes, assessments and other charges levied in the year 1955 for the fiscal year 1955-1956 on any property, shown on the list below in dollars and cents opposite the description of the property, is paid before 10 o'clock A.M. June 29th, 1956, the real property on which such amounts are a lien (except real property previously sold to the State and not redeemed), will by operation of law be sold to the State of California at such time in the office of the Tax Collector at the courthouse in the City of Nevada, County of Nevada.

Attention is hereby directed to the Addenda to this published delinquent list. Property listed in this Addenda and heretofore sold to the State will, on the 2nd day of July, 1956, at 10 o'clock A.M., in the office of the Tax Collector at City of Nevada, County of Nevada, California, be deeded to the State unless sooner redeemed or deeding is postponed as provided by law.

Dated: This 7th day of June, 1956

ELMA HECKER
Tax Collector of Nevada County, State of California.

ABBREVIATIONS

All abbreviations through out this advertisement are used as follows:

(1) Explanation of symbols used to designate amount.

STATE OF CALIFORNIA)
) ss
COUNTY OF NEVADA)

I, ELMA HECKER, Tax Collector of Nevada County, State of California, being first duly sworn on oath, say to the best of my knowledge, and belief, that the taxes not marked "PAID" have not been paid.

ELMA HECKER
TAX COLLECTOR OF NEVADA COUNTY, STATE OF CALIFORNIA

Subscribed and sworn to before me this 7th day of June, 1956
R. E. DEEBLE
COUNTY AUDITOR OF NEVADA COUNTY, STATE OF CALIFORNIA

ADDENDA TO DELINQUENT TAX LIST NOTICE

In pursuance of law, public notice is hereby given that, on the 2nd day of July, 1956, at the hour of 10 o'clock, A. M. of that day, the undersigned Tax Collector of the County of Nevada, at his office in the City of Nevada, State of California, will deed to the State, unless sooner redeemed, or an installment plan of redemption is initiated as provided by law, the real property hereinafter described upon which date five or more years will have elapsed from the date of the sale of said property to the State. The amount for which the deed will be issued will be the total amount due for which it was sold to the State, said amount being set forth in dollars and cents opposite the description of the property. If the property is deeded to the State, the right of redemption will terminate upon any subsequen sale by the State. All information concerning redemption or the initiation of an installment plan of redemption will, upon request, be furnished by R. E. Deeble, County Auditor, Courthouse, City of Nevada, County of Nevada, State of California.

Dated: this 7th day of June, 1956
ELMA HECKER
TAX COLLECTOR OF NEVADA COUNTY, STATE OF CALIFORNIA

As provided by law, the State shall have the sole authority to receive all rents, issues, and profits arising in any manner from property so deeded to the State.

The properties to be deeded and the subject of this notice are situated in the County of Nevada, State of California, and particularly described as follows, to-wit:

Approximately ten percent of the people gainfully employed in California are directly engaged in agriculture.

SUN ADS GET RESULTS

STRICTLY STRICKLAND

By Bill Strickland

After waiting all last summer and fall for snow to cover our mountain top, we are now waiting, andthats' all you can do, believe me, for it to disappear. This is the first time in all of my years on this mountain that I've seen so much at this time of the year. It's not on the southern exposures of course, but it's sure sticking on the north slopes. Some places still with 5 or 6 feet. There was one big advantage to it the other night. An advantage in one way at least. The house which was just recently purchased by Jack and Ruth Gross caught fire from an undetermined sourse and was completely destroyed. The abundance of snow around the house and the lack of wind kept the fire confined to the house itself. A little drier condition plus any kind of wind could have been a cause of great concern to quite a few of the residents and business people in the area. Fire is one of the major menaces everywhere in the mountains; so we would all be wise in heeding the rules and regulations concerning its prevention.

Brad Board has just about finished his house, on the outside anyway. It's a real sharp job and a welcome addition to our settlement. Just up the road from Brad's place, Johnny Johansen will soon start an addition to Capt. Bever's house. Cap and his family have been living in Hong Kong for the past year or so, but will soon be returning home. Anyone, or I should say everyone that has ever lived on our mountain top for any length of time, always tries to return, even if it is only for a short vacation.

The back road is very slowly reappearing, which will permit the Audubon Society to hold forth at the Sugar Bowl again this year. Some of the early attenders are going to get mighty wet though, if they start following the wild life too far from the beaten path, that snow again, is still pretty deep.

Boundaries between countries are established by treaties made by the sovereign powers concerned.

PATRONIZE ADVERTISERS

GLOBIN'S HOTEL IS RAZED BY FLAMES

AL TAHOE— Frank Globin, owner of Globin's Highway Hotel, said several shops heavily damaged in a fire Saturday night will be open for business in about two weeks.

Globin emphasized that the main Highway Hotel, a landmark at the southern end of Lake Tahoe, was not damaged in the blaze that hit the big dormitory building and shop structure, two blocks away.

"All reservations will be taken care of," Globin said as the height of the tourist season approached.

The damaged building is a 12-year-old structure located on Highway 50. The main hotel, cabins, and cottages are located nearer the lake.

The fire burned off the top floor of the building where a dormitory for employees and 12 rental rooms were located. A butcher shop, grocery store, package liquor store, tavern, coffee shop and gift shop on the bottom floor were damaged by water.

Globin praised the efforts of Al Tahoe Fire Department to save the building.

Firemen had announced during the height of the fire that there was no hope of saving anything.

PAOLI WINS RACE FOR SUPERVISOR

COLFAX— Supervisor Frank Paoli of Colfax scored a smashing victory over his "write-in" opponent, Reuben L. S. Robertson, in the election to be retained on the board as representative from District 4.

Paoli received 1,123 votes to Robertson's 176. Robertson did not file, but was campaigning the second time as a write-in candidate. There were four other persons in the district who also received write-in votes.

Lake Level Reaches New High, But Now Steadies

TAHOE CITY— Art Frodenburg, Truckee-Carson irrigation district statistician, reported today that gradual increase in the level of Lake Tahoe have stopped, at least temporarily.

Frodenburg said the lake has dropped .01 of a foot to a level of 6228.59 feet above sea level in the past week. The legal maximum elevation of Lake Tahoe is 6229.1 feet above sea level.

Tahoe-Truckee School District News

KINGS BEACH

SECOND AND THIRD GRADES: Tuesday evening, Mrs. Wing rewarded the non-absentees for this school year, by taking them to the Brockway Theater to see On The Waterfront. After the show, the children were taken to the Buckhorn Inn for milkshakes.

The children who didn't miss a day of school this year were: Steven Felte, Vern Wing, Alton Clother and Carol Franklin.

We are proud to announce that our class has won the thrift banner all year long. The banner has been given weekly for the biggest class deposit. Virginia Baker, school banking monitor, compared classroom deposit totals this school year.

Dixie Lee Reese returned to our third grade after spending the winter in Las Vegas, Nevada.

FOURTH, FIFTH AND SIXTH GRADES: A small dinner was held for the sixth graders who will be going to the high school next year. The sixth graders who are leaving are: Kathie Graton, Carol Scheifcit, Evelyn Trent, David Decker, Mark Good, Kenny Bailey, Francis Howard, Dennis Ludlow, Linda Draney, Robert Howell, Bud Robertson, and Joanna Johnson.

An all-school picnic and beach party was held at the lake shore in Kings Beach. The picnic was given by the P.T.A. as the closing event of this school year.

DONNER TRAIL

All of the shells have been collected. All of the rocks haae been put away. The letters have been written, and the spelling corrected. The desks are clean. The room is clean. The good-byes said, and we will see you all next year.

CARD OF THANKS

We take this means of expressing to all our friends our most sincere appreciation for their many kindnesses and expressions of sympathy during the recent illness and passing of our husband and father.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO —(CNS)— As a result of Tuesday's primary elections, republican control of the California State Senate, which has been in effect almost too long to remember, hangs by a thread.

Starting with a score of 22 republicans and 18 democrats prior to the elections, the democrats picked up one seat for certain, that of former Senator A. R. Way, of Humboldt county, whose third district seat went to Superior Judge Carl L. Christensen, of Eureka, in the primary, making it a 21 to 19 affair.

Apparently, there will be nine run-offs in senatorial districts. And with the run-offs,the matter of evening up the senate to a 20-20 contingent of both parties appears to be up to the voters of the eleventh senatorial district, which is comprised of Yolo and Napa counties.

Senator Nathan F. Coombs of Napa county, is the incumbent, and he won the republican nomination handily. His defeat for the democratic nomination by Don Mitchell, West Sacramento trucker, came as something of a surprise, for the general practice in the two counties was to elect Coombs in the primaries.

Mitchell, however, showed himself as an indefatigable campaigner, and this coupled with the fact that both counties show strong democratic majorities, contributed to his winning the nomination. Mitchell did not file on the republican ballot, so no estimates can be made of the so-called "popular vote" he would have received had he cross-filed.

Although no indications have as yet come from democratic headquarters, it would appear likely that the party will select Napa and Yolo counties as the top spot battle ground this summer and fall in an attempt to even things up in the upper house.

In the other run-offs neither republicans nor democrats appear at the moment to be in any serious difficulties.

A new senator, of course, will come from the 21st district, San Mateo county, but it is expected Richard Dolwig, republican assemblyman, will take this with ease. San Mateo is losing a- Republican senator.

Likewise, Senator Don Grunsky, Santa Cruz and San Benito counties, a republican, is expected to win in November. Other senators on the republican side having run-offs include A. A. Erhart, Pismo Beach, 29th district; John A. Murdy, Jr., 35th district, Orange county; Nelson P. Dilworth, Riverside county.

In Imperial county, Assemblyman J. Ward Casey has the republican nomination for the seat vacated by Senator Ben F. Hulse, and this county would appear to be the second most vulnerable spot for the democrats to work if they want to do better than even things up at the general election.

Imperial county has better than a ten to seven registration in favor of the Democrats, and Casey, not being an incumbent, and with no outstanding accomplishments as an assemblyman, could, perhaps, fall to John William Beard, if enough democratic pressure were engendered in this erstwhile republican stronghold.

So it adds up to the fact that one guess is as good as another in this prospective change of complexion in the state senate.

Traffic Into State Less During Last Month Than Year Ago, Report Shows

SACRAMENTO —(CNS)— Traffic entering California by highway during May was considerably less than what it was a year ago, with a big decrease in the number of Californians re-entering the state.

Figures of the state bureau of plant quarantine showed that a total of 292,747 cars entered the state during the month, compared with 322,817 for the same month last year.

Of these, 136,014 were out-of-state cars, about 4,500 less than a year ago. The remaining 156, 733 were of California registry, compared with 182,164 for the same month last year.

Truck traffic was up from 23,271 a year ago to 30,201 last month.

The number of passengers entering the state during the fifth month 924,197. Out-of-state passengers numbered 347,168, compared with 367,127 a year ago.

COURTEOUS DRIVERS OBEY TRAFFIC LAWS

SACRAMENTO —The California Highway Patrol believes that courteous drivers obey the law.

"The belief is sustained by the fact that most of our traffic laws are based on courtesy and violations are usually discourteous actions," says Patrol Commissioner B. R. Caldwell. "Many times the traffic law violator interferes with other drivers by cutting in and out of traffic, grabbing th eright-of-way and racing through stop signs and traffic signals.

Other discourteous acts include failure to dim lights at night," Caldwell continued. "With the patrol issuing about 65,000 traffic citations each month, it apears there are far too many discourteous drivers in California today. Today's traffic calls for a lot more courtesy demonstrated through obedience to the traffic laws."

Nonmetallic minerals account for about 17 percent of California's mineral production.

FIRE DESTROYS NEW DONNER AREA HOME

SODA SPRINGS— Fire Friday evening completely destroyed the Jack Gross home at Soda Springs.

The new home was under construction and was nearing completion when for some unknown cause the fire started and despite the work of scores of volunteers and the forest service equipment from Big Bend, it was impossible to do more than prevent the flames from spreading.

The pall of black smoke was clearly seen from Truckee as it billowed skyward.

The loss was not immediately announced. Gross has been employed at Sugar Bowl.

Park Development Plan Up For Discussion At Meeting Set For June 29

SACRAMENTO —(CNS)— The state senate interim committee on recreation, state beaches and parks will meet in Angels Camp, Calaveras County, on June 29th to consider further state park development.

Louis G. Sutton, chairman of the group, said the committee will hear delegations from Calaveras, Amador, Mariposa, and other Sierra Nevada mountain counties.

Subjects to be considered include riding and hiking trails, roadside rests, and reservoir and river park development.

Sutton said the committee will also park deficiencies which will remain after completion of the expanded park acquisition program authorized by the 1956 legislature.

Better working arrangements among state, federal and county recreation agencies will also be discussed.

Sutton said the group will meet twice next fall, once in Southern California and once in the north, to complete beaches and park recommendations before the 1957 general session of the legislature.

California's three leading agricultural enterprises, in terms of total income are dairying, cotton

South Tahoe Pleased As Mail Service Plan Stops

CARSON CITY— Residents on the south and east shores of Lake Tahoe are rather glad that plans for highway post office service out of Truckee are not going to be carried out.

The proposed system would have begun June 15th, replacing the present star routes. However, they have been abandoned for the present, because nobody is sure when the road at Emerald Bay can be opened. It was closed by tremendous slides last winter.

Petition Out

The Nevada Appeal says that a petition has already been circulated among the residents of the Cave Rock - Stateline area, which protests dropping the star route. One objection to the proposed new service is that it would cut off direct contact with Carson City.

Present star routes consist of one out of Carson which services boxes from Glenbrook around the south end of the lake to Camp Richardson, and one which runs from Truckee to service other parts of the lake shore. The proposed system would effect direct delivery of mail from Truckee to lake shore post offices.

COUNTY TO RECEIVE HIGHWAY USE FUND

SACRAMENTO -(CNS)— Robert C. Kirkwood, state controller, Thursday announced that Nevada county will receive $20,477 as its share of highway users taxes for the month of May.

The apportionment will be taken from $5,398,733 allotted to counties for the month.

Kirkwood said apportionments to cities for the month totaled $2.090,-889, and that $13,770,564 was turned over to th estate highway construction fund.

The Palace of Machinery at the Panama Pacific International Exposition at San Francisco in 1915 was said to be the largest structure of its kind ever constructed under one roof.

LOCAL ROTARIANS TO ATTEND SESSION

CARSON CITY— Planning to attend the annual Rotary District Assembly to be held this year in Carson City are the president and secretary elect of the Tahoe City club, Steve Korich and Harold Farr. And the president and secretary elect of the Truckee club, Ralph R. Frank and Edward A. Grant.

They will join with Rotary officials from all other cities in this district to meet in Nevada's capital city on June 21, 22 and 23 where they will take part in an instructional conference under the guidance of District Governor Frank B. Gregory of Carson City and incoming District Governor Clyde F. Curtis of Placerville.

President Al Seeliger of the Carson Club has extended an invitation to all local Rotarians and their wives to attend the 3-day session of business and social meetings.

Let us demonstrate the world's most useful vehicles

It's good insurance and good business to own a vehicle that will help you get more work done every day in the year—that's a 'Jeep' 4-Wheel-Drive vehicle. On the highway, it travels at road speeds in 2-wheel drive—a simple shift gives the extra traction of 4-wheel drive for rough travel, on or off the roads. With power take-off, these rugged vehicles operate many kinds of special equipment. There's a 'Jeep' vehicle that will fill your specific needs and serve you best.

The Universal 'Jeep'... does hundreds of jobs.

The 'Jeep' Truck... America's lowest-priced 4-wheel drive truck.

The 'Jeep' Utility Wagon... dual purpose vehicle for business and family.

The 'Jeep' family of 4-Wheel-Drive vehicles

WILLYS... world's largest makers of 4-Wheel-Drive vehicles

Ask us for a demonstration now

OSBURN'S BUICK GARAGE

HIGHWAY 40 TRUCKEE, CALIF.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Mount Rose

What an accomplishment it is for the crews and the equipment of the Nevada highways department in clearing the Mount Rose road for traffic some of the places where the snow banks are 20 feet high one wonders how they did the job. I mention this because so many locals have enjoyed the ride over the top and enjoyed the beautiful scenery in the bargain.

Up for a While

After many months Arnold and Sophie Miedema are back in their home on the golf course but unfortunately their stay will be only for a week or two, and then Wyman and Beverly Williams will be up for most of the summer.

Fabulous

Was looking through Jerry Gordon's North Shore hardware. I never did see anything like it, it seems every time I go in there it is something new. They have what is called a trolley car made by the Stephney-Koret designers of San Francisco, and loaded with the newest designs of sportswear. The Stephneys and a large staff of assistants were visitors at the north side of the lake to find out what new designs can be created for the Olympics.

New Station

This week Mike Cinani and Ray Bergman opened up the beautiful new gas station known as Ray and Mikes, with a motel. The station is, as before, a Shell product carrying everything for the automobile. Drop in and see these swell boys, and this up-to-date addition to the community.

Won't Be Long

....Now I see the Here-'Tis restaurant is showing signs of opening up, a little late for the boys, but in time I hope to do a land office business thru the summer. It is almost opposite the M. H. Dodd real estate office in Kings Beach. And, by the way, did you see the elaborate new signs of Mr. Dodds? It has a picture of a go-getting salesman who is known as 'Hustlin Hank' It's cute.

Riley's Back

Ray Riley, who is at the Crystal Bay Club, tells me that his brother Kenny will be, or rather is, here in Kings Beach and will make his home here for the summer while he is out of college. Kenny is well known to many people in the area.

Crime

The law enforcement officers are already busy as is the court and there are all indications that it will continue right along. The past ten days we have had a mixture of, disturbing the peace, grand theft, petty theft, car stealing, bad checks, asault, carrying concealed weapon, skin divers, civil actions, besides a dozen things off the record. Yes it's never a dull moment for the law.

Opened Up

The Bal Tabarin opened up this week after extensive alterations which have made it a beautiful casino and dining room. There will be no big entertainment this year but everything is set that will make it so everyone can relax and see all thats going on at the same time. And then the North Shore Club opened up with its ever popular dining room. Bucky Harris insists that he keeps his same employees from year to year, which he considers are a very important part of the club. The others in charge are Jimmie Hume, Jerry Cooper and George Zouganiles.

Roads

Well, I find the highway department has made the roads a little more like a highway but they stopped short. The top of the Brockway Hill sure needs a little attention as a couple of breaks in the road nearly throws one over the white line.

Advancement

I see Kate Allen has put quite a nice improvement on her property at the corner of Coon and the highway, in Kings Beach. This will advance her business which is called Kate's Nursery and she has a nice stock, too.

Doing Business

Yes, the Blue Lake Cafe is open and doing a pretty good business too. If you haven't met the operators Mr. and Mrs. Commagere just go in and see them and just get acquainted with these fine folks. It's in Tahoe Vista close to Mac Phee's Pine Ridge Cottages.

Round and Round

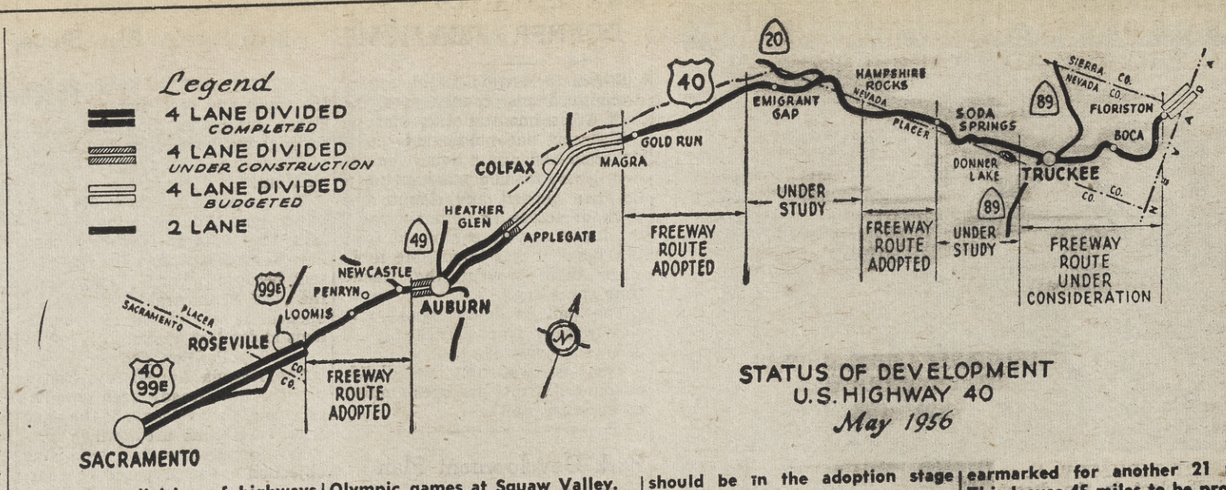
Taking a trip around seems to be the popular pastime these days. Now it's said that Mrs. C. B. Wallace of Crystal Bay has just started such a trip.

U.S.F.S.

After thirty years of no summer vacation, our friend Ed Grant of the U.S.F. Service is starting on one the 15th and for a whole month too. Ed was telling us that he and his good wife will take a trip to Susanville where they have a home, and then on to Oregon, Washington and maybe on to Vancouver, B.C., where he has an aunt 97 years old whom they hope to see. Ed is head man at Truckee and was taking a look around the north end of the lake, where he has a couple of men, Jack Schindler at Tahoe City and a new man in the area, Wade Rowse at Kings Beach, whom you should contact if you have any problem regarding burning or needing a permit to burn. He is living in the rear of Curly Mason's garage.

In and Out

It didn't take long for Mrs. Culbertson to dispose of her curio stand in the Cal-Neva Lodge. It seems the pressing business at their shop in Kings Beach was all they could handle.



STATUS OF DEVELOPMENT
U.S. HIGHWAY 40
May 1956

This state division of highways map shows progress of building U. S. Highway 40 to fourlane standards between the Nevada state line and Sacramento. The division hopes to have much of the route improved for the 1960 Winter Olympic games at Squaw Valley.

The state budget, which goes into effect July 1st, has $10,000,000 available for three freeways totaling 18 miles in Placer in Nevada Counties. The longest of these, between.. Truckee.. and.. Floriston, should be in the adoption stage next month.

Of the 211 mile length fo U.S. 40 in California, 113.5 miles are already four-lane standard and 14 projects are in process on another 31.6 miles. Budget allocations are earmarked for another 21 miles. This leaves 45 miles to be provided for in future highway commission budgets.

Advertising for bids on four miles between the state line and Floriston is expected shortly and work there will start this summer.

Boat Required To Take Tahoeans To El Dorado

MEEKS BAY— With summer almost here and the season's activities well advanced, a situation at Lake Tahoe has developed which would actually be funny if it were not so rediculous.

Last Friday a number of business people on the west side of the lake had reason to attend a highway meeting at Placerville. Ordinarily, this would be a simple process. They would get into their cars and within a short time be at the meetings.

That isn't how it worked. They make arrangements to have a car meet them at Richardson's, loaded into a boat at Meeks Bay and set out around Emerald Bay. This delay was necessitated by the fact that the road at Emerald Bay is closed— maybe permanently by a slide last December.

Those making the trip included George Kehlet of Meeks Bay, Don Huff of Homewood, Mrs. H. P. Craven of Fallen Leaf and Ray Kinsley.

Tahoe Items

George Gobel was a recent visitor at Lake Tahoe, planning to return in July.

Governor Masanori Kaneko of Kagawa Prefecture, Japan, was a recent visitor in the Lake Tahoe region.

Alex Cushing of Squaw Valley has been a recent New York visitor.

Mr. and Mrs. Victor Wikander have reversed the usual trek to Lake by being at Tahoe City during the winter and going to Oakland for the summer time.

R. R. Walker is changing his summer address from Berkeley to Tahoe Pines to prepare for the July regatta.

Mr. and Mrs. John Neronde have opened their house at Tahoe City, coming from Sacramento.

Mrs. Georgia Lambert is another Tahoe City resident, arriving from Auburn.

Mrs. Emily Lindenfield of Los Angeles is staying at Meeks Bay.

Mr. and Mrs. G. B. Huston came from Ft. Bragg last week to stay at Tahoe City.

The Fred Humiston family of Exeter will be at Carnelian Bay this week.

John Huber wrote from Marysville that they will be at Tahoe City soon for an indefinite stay.

Mr. and Mrs. C. Burmer and four sons have returned from Santa Cruz and hope to make Tahoe City their permanent home.

Health Clinic

KINGS BEACH— A child health conference will be held at Carpenters' Hall in Kings Beach at 1 p.m. Tuesday, June 21.

TEMPORARILY CLOSED

TAHOMA— Until July 1, Robert J. Wray's power saw shop at Tahoma will be closed because of illness in the family which necessitates the Wrays leaving for a short time. Wray says he has some new models ready for demonstration when the shop reopens the first of next month.

SCRIBE DESCRIBES EMERALD BAY AS DANGEROUS ROAD

In an effort to draw attention to the need for a year-round span at Emerald Bay to relieve the present impassable road, closed since last December by a slide, S. D. Sartor of Tahoma has prepared a pamphlet which he is sending to interested persons.

The text of the message follows:

High in the Sierras the Mountain stands, feet bathed in the icy, deep waters of Emerald Bay, its slopes scarred by past avalanches, and its brow, furrowed by untold age, marked with white ribbons of snow. A singularly undistinguished mountain— not the highest, nor the steepest, nor the most impressive in that noble series of peaks comprising the Sierra Nevada range.

Yet this amorphous mass, standing defiantly along the shores of limpid Tahoe, has struck fear—sheer terror—into countless visitors who make frequent pilgrimages to this land of unsurpassed beauty. Captivated by sweeping vistas of grey, granite heights, of baffling, blue waters and wide-arching skies, the enchanted visitor braves a tortuous road that dares to crawl along the treacherous side of unsubstantial terrain; a road, poised on narrow ledges and scooped out of insufficient earth; a road that defies geological judgment; in brief, a road of terror, constant danger, and death.

For it is of the dead we write, and the Mountain that hurled the lethal blows— the sickening rush of tons of mobile earth and snow. True, the ivory-towered devotees of beauty, the far-away mystic nature-lovers, find this a cruel subject, a little appalling, altogether in poor taste, and really irrelevant to their consuming determination to preserve this obsolete road and its rendezvous with beauty— and death. For theirs is a kind of fixation with the abstract that deepens with each assault made upon tenuous logic and an immoderate stand; it is as if Beauty, in deference to them alone, had materialized itself into something corporeal, tangible, and revealed its true Form only to a few favored believers: For Beauty was enthroned along this highway of death, and it must not be violated by mundane thoughts of public safety, of lake-wide economic unity, of sane and life-giving progress. And as for the dead— the humble, brave men who battled so futilely with the Mountain— and the men who will tomorrow die when ordered to join the insane, uneven struggle of maintaining the road against the Mountain— why it is a pity indeed, but what must be must be.

One wonders if this must really be; and would those obscure victims of the Mountain's fury really agree? Let our collective conscience answer these dead, and let that answer guide those in whose hands rests the power to vindicate them; to set them free from the eternal futility of a meaningless grave by our postumous recognition of their sacrifice; and to crown their modest endeavor with the accomplishment of the inevitable task that lies before us: Emerald Bay Bridge, in Memorium.

JOHNSON POINTS TO OLYMPIC BENEFITS

State Senator Harold T. Johnson of Roseville, Placer county, speaking to the Sacramento Rotary Club, predicted that the holding of the 1960 Olympic Games at Squaw Valley will give a tremendous impetus to winter sports development throughout the entire Sierra region.

Pointing out that these sports already represent an $80,000,000 annual business, the senator declared it is his conviction that in a few years, California will forge ahead of any other area in the world in this form of recreation.

Johnson also said he expects the returns from the Squaw Valley events will be at least $3,500,000 to the state on its $5,000,000 investment.

"One thing," he declared, "we are determined to do is to see everyone who comes to the games pays to see them, which was not the case at Cortina, Italy, last year."

He also announced the state Olympics committee is seeking to change the games from the last two weeks in February to the first two weeks in March because it is believed the weather conditions will be more favorable in March.

Madera County's 1955 wine production totaled 7,578,000 gallons.

More than 200 agricultural crops are produced commercially in California.

Fish, Game Commission Sets Dates For Archers

The state fish and game commission set three regular deer and bear archery pre-season schedules. In the early coastal season area, the archery deer and bear pre-season hunt will be July 21 through July 30. For the Inyo-Mono-High Sierra September 15 opening area, the archery deer and baer pre-season hunt will be September 1 through 10th.

For the late deer season area, the pre-season archery schedule runs from September 8 through 17.

The bag and possession limits are the same as hold during the regular deer and bear seasons in th erespective areas.

A special archery deer and bear season was established for Los Angeles County running from July 21 to December 31 in the same area covered in 1955.

The bag limit will be two deer of either-sex, and two bear.

MARINES TO RECRUIT SQUAD IN THIS AREA

RENO— Technical Sergeant Anthony J. Ricciardi, non-commissioned officer in charge of the local Marine Corps recruiting station in Reno, has announced that the Marine Corps will enlist a complete squad of marines from this recruiting area.

The squad will be called "The Comstock Lode" and will leave for recruit training on June 21st, 1956, as a unit. This squad will remain together during training for ten weeks, under the famous Marine Corps 'Buddie System," and many will return home on ten day leave together.

GROUP WILL STUDY STATE OIL PROBLEM

SACRAMENTO —(CNS)— An assembly subcommittee on oil and gas development of state lands will study the proposed oil and gas conservation act which will appear as an initiative measure on the November ballot.

This was announced by Allen Miller, San Fernando, chairman of the group.

Miller said both proponents of the act, sponsored by the Richfield Oil Company, and opponents will be called upon to testify.

Miller said Richfield claims the initiative will increase oil and gas revenue to the state. He added that opponents claim the opposite to be true, and that California's economy will be "seriously damaged" by the act.

The measure will appear as proposition 4 on the ballot.

Chamber Directors Meet Scheduled for Tuesday

The regular meeting of the Board of Directors of the Truckee Chamber of Commerce will be held Tuesday, June 19th, 7:30 p.m. in Smarts Cafeteria. Chamber president Hal Welch urges all directors to be present as this is a very important meeting.

From South—
Mr. and Mrs. Robert Gifford and daughter of Lindsay were Tuesday visitors seeing local friends.

Florida Bound—
Mrs. Steve Kolos, accompanied by Mrs. C. A. Kolos, Richard Kolos and Miss Barbara Kolos of Yuba City left yesterday for Miami, Florida where the latter will continue to PuertoRico. The rest of the family plans to return here in about three weeks, after touring the region.

Birthday For Borden Boy—
Michael, son of Mr. and Mrs. Frank Borden is celebrating his birth date, today with his family and small friends, crowning the event with presents and refreshments for the honoree.

Fordhams Home—
Mrs. William Fordham and son Billy planned to return from Lancaster early this week where they had accompanied David Fordham who will spend the vacation with relatives.

To Teach at Mt Diable—
Friends of Mr. and Mrs. Robert Madge and Mr. and Mrs. Hugh Smith regret the departure of the local families to Concord where the two men will be on the teaching staff of the Mt. Diablo Unified School District.

Mountain Hikers Here—
Mr. and Mrs. W. F. Bailey of San Francisco have come back to their place at Boca and are already planning their hikes along the mountain trails during the months ahead.

At Donner Lake—
Mr. and Mrs. Henry Strelow are at Donner Lake, having spent the winter in Inglewood.

CHURCH NOTES

In the absence of the pastor, Mr. Ed Grant will speak this Sunday morning on "The Gospel of Christ."

There will be no youth fellowships this week.

The Women's Society of Christian Service will meet Wednesday, June 20th, at 1:30 p.m. in the church. There will be a mission film presented. All women are welcome.

RETIRED ARMY MAN ADDRESSES ROTARY

KINGS BEACH— Vice-president Pappy Brooks presided over the regular meeting of the Rotary Club of Brockway Monday night, in the absence of President Bill Randall. Answering to the call for visiting Rotarians were Len Barry and Harold Farr from Tahoe City, Pete Bennett from Catalina-Tucson; Bill Avery of Reno; John Chambers of San Jose and Robert Jackson of La Jolla.

Program chairman Hank Dodd introduced Col. James C. Crockett, retired, of the U.S. Army as speaker for the evening. Col. Crockett was formerly military attache to Russia. In his talk he advised the people of the United States to be alert and on guard as he said Russia might wage war on us at any time.

There will be no meeting on June 18th as the club will attend in a body at the president and secretaries assembly on Thursday evening June 21st.

Sale Of Fishing Licenses Set New Record In May

After seeing their favorite fishing waters flooded, and outdoors trips cancelled by cold weather for four months, California anglers swarmed to the field in record numbers during May, the Department of Fish and Game reported.

Fishing license sales during the month totaled $783,035 for the greatest number ever sold in a single month. This is $85,000 more than the previous high month in May, 1954.

The record sales brought 1956 license sales $14,000 ahead of the 1955 figure for June 1.

Final accounting of the 1955 deer tag sales shows a substantial increase over th e1954 figure. Last year 414,845 persons purchased deer tags compared to 401,820 for the previous year.

Fish and Game Region 3, with headquarters in San Francisco, had the most tag buyers, followed by the Los Angeles region, Sacramento region, Fresno region and Redding region.

HIGH IN THE SNOWY RECESS OF AN UNCHARTED MOUNTAIN LOOMED A STRANGE PALACE-- AND INSIDE THIS PALACE THERE LIVED A LOST TRIBE OF VIKINGS!

"ABSORBING DRAMA STIRRED IN THE THRONE ROOM OF THE PALACE OF VALHALLA--BALDAR, THE VIKING KING, HAS JUST GIVEN AUDIENCE TO A CRAFTY PROPHET CALLED LOKI.

"MAY THE GREAT KING FORGIVE ME," PLEADED LOKI. "I ONLY DISTURB YOU BECAUSE I HAVE HAD ANOTHER VISION!"

BALDAR SHUDDERED, "YOU-YOU MEAN ABOUT FENRIS?" THE PROPHET NODDED SADLY, "I AM AFRAID SO--"

"HE CLAIMS THAT THE BONES ARE BARE IN HIS FROZEN HOME-- AND DEMANDS ANOTHER SACRIFICE!"

6-17-319

"THEN I MUST SEND AN EXPEDITION TO THE OUTSIDE WORLD" SAID THE KING, TREMBLING. "I WOULD NEVER PROVOKE THE WRATH OF FENRIS!"

BATHLESS GROGGINS HAS GUIDED AN ELDERLY COUPLE TO SHANGRI-WHA? AND THE FOUNTAIN OF YOUTH!!

IT'S AMAZING! SHE WENT INTO THE FOUNTAIN AN OLD LADY--AND LOOK AT HER NOW!!

WHAT ARE WE WAITING FOR, HAZEL-- JUST A LITTLE DUNK AND WE'RE KIDS AGAIN!!

TO SUPPORT THIS PALACE OF ETERNAL YOUTH, MY FRIENDS, WE REQUIRE FUNDS! LET'S SAY A MILLION DOLLARS FOR EACH OF YOU?? INDEED IT IS A RARE BARGAIN I OFFER YOU.

TWO MILLION DOLLARS!! AND HOW DO I KNOW IT WOULD WORK FOR MEN AS WELL AS WOMEN?

TO REMOVE YOUR DOUBTS, OH, SEEKER OF LOST YEARS, WE SHALL TEST THE POWERS OF THE MIRACULOUS FOUNTAIN!

HEY, GET YER BLARSTED PAWS OFF ME--I LIKES THE WAY I AM!!

AND SOON HE SHALL EMERGE THE YOUTH HE ONCE WAS--RADIANT IN HIS REDISCOVERED YEARS!

GLUB GLUB!

GRAB HIM QUICK AND STRIP HIM!

O.K., JOE, CLIMB INSIDE THAT PIPE!

IT'S (GASP) AMAZING!

AND I WOULD NEVER HAVE DREAMED HE WAS EVER ANYTHING BUT REPULSIVE!!

SO THAT'S THE RACKET, EH? WHAT DODGE DO YOU CROOKS USE WHEN YER CUSTOMERS GET WISE TO THIS FLIMFLAM?

BY THAT TIME, ANCIENT ONE, WE HAVE THE MONEY. AND IF YOU WISH TO COMPLAIN TO THE LOCAL AUTHORITIES--

WE (CHUCKLE) ARE THE LOCAL AUTHORITIES!
